HERMITAGE CLUB NINE WON GAME

The Score Was Very Close, Being Only Seventeen to Eight!

FOUR PITCHERS WERE USED

Bryan and Ellyson Against Gill and Leake—Scorekeepers Laboring Men.

The Hermitage Club, of Richmond, defeated the Riverside Golf Club nine from Petersburg at the Broad Street diamond yesterday afternoon by the close score of 17 to 8.

Only ten men came to bat for the Richmond aggregation in the first inning. Right-felder Jones had a double chance to distinguish himself. He beat it out the first time and extinguished himself the second time. In other words, he fanned. Likewise did he face the opposing pitcher twice in the ninth inning.

They All Had a Chance.

Bryan was relieved in the second inning. Mr. "Puss" Ellyson went in to twirl, and it was all off afterwards. He had his curves bending nicely and his speed was something fierce. Call, the backstop, retired, and Hotchkiss went to first, while Batcliffe came in from center field and accepted the fielding chances.

In the second inning the Riverside boys scored five runs, giving them the lead of three, and making things look dubious for the Hermitage team.

But there was another inning, and this inning was marked No. 5. The locals scored exactly as many runs as the number of the inning, and after that kept on piling them up. In the ninth, four tallies were added, making a total of seventeen against the eight by the other side.

HERMITAGE CLUB TO PLAY INKSINGERS

Interesting Amateur Game to Be Seen This Afternoon in Ball Park.

What promises to be one of the keenest encounters in amateur baseball scheduled to come off in Richmond will take place this afternoon at the Broad Street Ball Park, between the Hermitage and Times-Dispatch Baseball Clubs. The encounter is only a friendly one, for no trophy or side bet, but just for the pure love of a good game.

The Hermitagers are very confident they will be able to pull off the encounter, the battery they rely on to pull them through is T. Bryan and Ranny Cardozo, and the Inksingers, who do not at all think the game a foregone conclusion, will rely on Burnette and Stout. Burnette is a left-handed pitcher, who has made no small name for himself during the past few seasons with the Brownies and East End Blues, and according to recent form, should give a good account of himself.

YACHTS TUNING UP.

Getting Ready to Defend Roosevelt Cup Against Germans.

(By Associated Press.)
MARBLEHEAD, MASS., July 31.—A majority of the nineteen American thirty-two racing yachts that have been built for the defense of the Roosevelt cup against the three German aspirants for that trophy are now engaged in a series of tuning-up races in these waters. These events probably will continue almost daily until the trial races, which will be held during the week of August 13th, under the direction of the Eastern Yacht Club, which originated the international contest for these small boats and gave the cup, named for President Roosevelt, with his permission. After the trial races the club will select three of the nineteen yachts to sail against the three German boats, which are now being brought to this country on steamers. The cup races will take place during the week of September 24, and five races will be sailed, the trophy going to the yacht that wins the majority of the contests, or wins the fifth race of the series. With one exception the entries are all from the Atlantic seaboard. The single exception is the New Orleans, entered by the Southern Yacht Club of New Orleans.

FIERCE ATTACK BY NEGRO BISHOP

Declares Tillman, Vardaman, Dixon and Others Are Avowed Enemies of Race.

STIRS BIG AUDIENCE UP

Secretary of Navy Bonaparte Makes Speech at Meeting Held in Washington.

(By Associated Press.)
WASHINGTON, July 31.—The Negro Young People's Christian and Educational Congress, having for its object the educational and moral uplifting of the race, began a five-days' session in this city to-day. Several thousand delegates are in attendance, representing every State in the Union, and some have come from foreign lands. The first day's session was devoted to addresses of welcome and speech-making. Bishop Wesley J. Gaines, D. D., of Atlanta, and Secretary of the Navy Bonaparte being the principal speakers. Booker T. Washington is expected Thursday or Friday.

Attack Southerners.

The meeting opened with singing by one thousand voices, under the direction of Professor John T. Layton and S. Colridge Taylor, and was followed by prayer by Rev. J. M. Waldron of Jacksonville, Fla. In his quadrangular address, Bishop Gaines, who presided over the conference, spoke of the fact that the negro race had been brought through many difficulties and trials since the last meeting in Atlanta four years ago. "We have stood almost on the brink of despair," he said, "but I thank God that in the darkest hour we have been able to gather courage and stand firm in the hope of better days."

Taking up the question of the attitude of the whites toward the negroes Bishop Gaines said: "We have had to submit to the awful humiliation arising from separate car laws on both railroads and trolley lines, but we must not be discouraged. The mob laws, the hangings and the burnings at the stake of negroes in many Southern States, though most terrible to so that we despair, I have said we have made great progress, though we have still a giant burden of ignorance and lawlessness to carry and to endeavor to destroy as we move upward. Yet I find so many enemies we are not without friends. I must say that we could not stay in this country if it were not for our white friends and their strength of character."

Bishop Gaines then specifically named as avowed enemies of the negro Senator Tillman, of South Carolina; Governor Vardaman, of Mississippi; Governor Jefferson Davis, of Arkansas; and Thomas Dixon. He added that John Temple Graves could be counted among them "for the most dangerous of the group because he is the most highly educated." He said that in an editorial in the Atlanta Georgian of May 10th, Mr. Graves had referred to the African negro as a helpless barbarian.

Bonaparte Speaks.

Secretary Bonaparte was then introduced.

and spoke on the future of the negro race in America. He said that the part they would play in civilization was a question no less difficult than interesting. He did not intend to be a prophet and doubted very much whether anybody could now give more than a crude conjecture about what the "fates" have in store for the race and for the country through it. The man who speaks with assurance about such a matter, he said, is probably not worth listening to. "The very fact that he thinks he knows all about it is pretty good proof that he knows nothing," he added.

KING'S HORSES HERE.

Ten Prize-Winning "Shires" Landed in New York.

(Special to The Times-Dispatch.)
NEW YORK, July 31.—That American horsemen may become interested in the famous "Shire" horses of England, King Edward VII. and Lord Nathan Moyer Rothschild shipped to this country ten prize-winning "Shires." They arrived in this city yesterday on the Atlantic Transport liner Minnetonka.

The prize horses are to be exhibited at three fairs in Canada and will then be sent to the agricultural fair at Kansas City on October 7th. The Shires left last night in a palace horse-car for Toronto.

Three fillies—Tacoma, Perseverance, and Buscot Vain Maid—are the property of King Edward. They are three and two-year-olds and a yearling. They were selected by the King himself to represent the royal stables.

Lord Rothschild sent over five—Girton Chatter and Parnvictor, brown stallions; Blythwood Guider Rose, a broodmare; Queen of the Rose, a brown filly, out of Blythwood Guider Rose, and a yearling colt, Kinsman. Two geldings foaled in 1900 and 1901 are owned jointly by the King and Lord Rothschild.

Every care was taken to protect the royal horses during the voyage. The stalls, which faced the open port holes, were padded. Three grooms were in constant attendance. Timothy Moore, head groomman for Lord Rothschild, was in direct charge of the animals.

New Dodge in Ballooning.

(Special to The Times-Dispatch.)
MIDDLETOWN, N. Y., July 31.—Miss Maggie Dailley, of this city, who several weeks ago ascended in a balloon alone at Midway Park, and made a parachute drop of 3,000 feet, is planning to make a triple parachute drop at county fairs. She will ascend with three parachutes attached to her balloon, which she will cut away at a given signal. When she has dropped some distance she will cut away the second parachute and then the third. The parachutes are to be of great size and red, white and blue in color. It is understood that Miss Dailley has been engaged to make five ascensions at the Interstate Fair, at Trenton, the Ulster County Fair, at Ellenville, and the Sullivan County Fair, at Monticello. She will also make an ascension at Lake Ladore, Pa.

HARTJE ON STAND DENIES CHARGES

Declares He Never Offered Money to Coachman to Testify Against Wife.

CASE FOR PLAINTIFF ENDS

Much-Disputed Helen Scott Letter Admitted as Evidence. What Judge Said.

(By Associated Press.)
PITTSBURGH, Pa., July 31.—Attorney for Augustus Hartje, who is seeking a divorce from his wife, Mrs. Mary Scott Hartje, somewhat unexpectedly closed their case to-day. All the evidence in support of Hartje's petition is now in. Attorneys for Mrs. Hartje asked for and obtained an adjournment until to-morrow morning to prepare their plans for putting evidence in rebuttal.

Hartje on Stand.

The trial was marked to-day by some vigorous remarks from the bench to lay attorneys for Augustus Hartje, when they sought to explain through Detective H. W. Muncey some discrepancies between the detective's evidence, and that of Andrew Fisher, who became confused yesterday on cross-examination. Judge Robert S. Fraser allowed the testimony to be given, but said that it was irregular, and declared that the irregularity that had been permitted throughout the case would have weight when the court made its decision.

Members of the city police force were called to prove that "Tom" Madine had reported the rifling of his trunk. Augustus Hartje then took the stand, and denied the charges made by Madine regarding the blonde woman episode and that he had offered Madine money to testify that a man was at the Hartje home alone with Mrs. Hartje while Hartje was away. Hartje admitted owning a house at which he was said to have visited Josephine Wright. He swore that he did not know the woman.

Letters Admitted.

The much-disputed Helen Scott letters were to-day admitted as evidence. A lengthy and heated argument preceded their admission, which is regarded as a signal victory for the libellant. Those are the letters purported to be from Helen Scott to her sister, Mrs. Hartje, which counsel for the libellant assert, prove that Helen was a go-between for "Tom" Madine, the coachman correspondent, and Mrs. Hartje.

Blues to Go to Jamestown.

The Richmond Light Infantry Blues have accepted the invitation of the Jamestown Exposition Company to hold their annual encampment there next year during the period of the exposition. The date has not yet been set, but the encampment will probably last through the week which is to be observed as the "Virginia Home-Coming Week." It is understood that the outing will last probably ten days.

No Game.
